Our first GeoTour kicked off September 2016, and now our second GeoTour launched in September 2018 – both are being enjoyed, rain or shine, snow or wind! Are you ready to add these amazing road trips to your itinerary and see some of the most spectacular scenery in the Pacific Northwest?

- Download your passport(s) from this site.
- We still have geocoins to be awarded for your hard geocaching work.

Need to find a good place to stay while you are geocaching around the Olympic Peninsula?

There is a list of all the lodging in the area – here .
